

All stamps offered are genuine unless marked otherwise. Private issues and locals are marked with * as far as we know that they are not officially issued by postal organisations of the countries in question. Sometimes however it is not possible to decide what is official, private or local.

Prices on this site are with reservation: no claims can be made on these prices.

Please note: although the description / title may show a different country and / or topic than the product image, you will receive the item that is shown on the image!

Terms of delivery:

All orders will be shipped as soon as possible after receipt of payment. Make sure you include the # of the invoice with all payments!

Please note: sending orders without registered mail is at YOUR risk. Lost packages that were NOT sent by registered mail will NOT be refunded.

We guarantee good quality of the material ordered by you. Damaged will be replaced when possible. When this is not possible, we shall refund the amount of the damaged material. (if you prefer you can keep the amount as a credit for future purchases).
